

# Diamond DA3

# NINJA<sup>®</sup>

## RAZR

Soft, cool, and flexible cut protection,  
plus good all-around grip.

Dyneema<sup>®</sup> is a registered trade-mark of Royal DSM N.V. Ninja<sup>®</sup> is a certified manufacturer of gloves made with Dyneema<sup>®</sup>.

### FEATURES

- Soft PU coating offering superb flexibility and comfort
- 200% improvement in cut resistance performance when compared to gloves made with standard Dyneema<sup>®</sup> fibre
- The dramatically thin fibre of Dyneema<sup>®</sup> Diamond technology allows for increased cut resistance without the fibreglass discomfort
- Allows for better feel and control, and radiates heat away from hands for all-day comfort
- Provides 360-degree breathability
- High levels of cut performance without the use of abrasive material
